NORTHWESTERN UNIVERSITY - OFFICE OF RESEARCH DEVELOPMENT

Multiple Limited Submission Funding Opportunities

Health Resources and Services Administration

Opportunity #1: Cooperative Agreements to Support Comprehensive Medical Care for Thalassemia Grant
Opportunity #2: National Hemophilia Program Coordinating Center Grant
Opportunity #3: MCH Pediatric Research Network Program
Opportunity #4: Epidemiology Doctoral Training Program
Opportunity #5: Maternal and Child Health (MCH) Research Network on Pregnancy-Related Care Program

NOTE: Only one application per institution is allowed for each of these funding opportunities.

If you are interested in any of these funding opportunities, please send a one-page summary of the proposed research and your biosketch to Eric Boberg (e-boberg@northwestern.edu) by January 19, 2015.

Opportunity #1: Cooperative Agreements to Support Comprehensive Medical Care for Thalassemia Grant (FOA#: HRSA-15-079)

http://www.grants.gov/web/grants/view-opportunity.html?oppId=270802

The purpose of this cooperative agreement is to support a demonstration project to improve the identification of individuals with thalassemia and access to quality medical services including the development of recommendations for thalassemia-related screenings, diagnosis, education, regular blood transfusion and treatment for iron overload and medical complications resulting from chronic transfusion therapy.

DUE DATE: February 23, 2015

Opportunity #2: National Hemophilia Program Coordinating Center Grant (FOA #: HRSA-15-087)

http://www.grants.gov/web/grants/view-opportunity.html?oppId=270803

The purpose of this funding opportunity is to support a coordinating center to facilitate an integrated and collaborative regional network to promote and improve comprehensive, quality care of individuals with hemophilia and related bleeding or clotting disorders such as thrombophilia.

DUE DATE: February 23, 2015
Opportunity #3: MCH Pediatric Research Network Program (FOA #: HRSA-15-089)

http://www.grants.gov/web/grants/view-opportunity.html?oppId=270974

The MCH Pediatric Research Network Program will support a translational practice-based pediatric research network that aims to improve the health of children by: conducting collaborative practice-based research to enhance primary care practice, developing evidence-based guidelines based on network research findings, and disseminating and accelerating the translation of research to practice. The network will be diverse and national in scope, enabling the study of racial/ethnic and rural/urban health disparities among children.

DUE DATE: March 2, 2015

Opportunity #4: Epidemiology Doctoral Training Program (FOA #: HRSA-15-109)

http://www.grants.gov/web/grants/view-opportunity.html?oppId=270975

The purpose of the Maternal and Child Health (MCH) Epidemiology Doctoral Training Program is to both train the future MCH workforce and to promote advancements in applied MCH research through the support of doctoral students who conduct state or local level analyses on a topic important to Maternal and Child Health as the basis for their dissertation research.

DUE DATE: March 2, 2015

Opportunity #5: Maternal and Child Health (MCH) Research Network on Pregnancy-Related Care Program (FOA#: HRSA-15-090)

The purpose of this program is to: conduct multi-site research on critical issues affecting pregnancy-related and maternal health across the lifespan, examine the practice patterns and educational needs of obstetricians and gynecologists nation-wide to improve the quality of health care for mothers and children, and facilitate the translation of research to practice by leveraging the network infrastructure to educate providers and influence the standards of care.

DUE DATE: March 2, 2015

COLLABORATION OPPORTUNITIES
The Office of Research Development offers assistance in identifying and facilitating collaborations, putting together interdisciplinary teams, programmatic and administrative development of large, cross-school proposals, and leveraging institutional resources for outreach and education. Contact Fruma Yehiely (yehiely@northwestern.edu), Director of ORD, for more information.
